MEMORANDUM FOR US Army Garrison Fort Hunter Liggett (USAG FHL) Personnel  
Accessing FHL Training Areas and Ranges

SUBJECT: FHL Policy Letter #45, Training Area Authorization

1. REFERENCE.

a. Fort Hunter Liggett Regulation 350-2, Chapter 2, Paragraph 2-14, Training at Fort Hunter Liggett.

b. Fort Hunter Liggett Regulation 420-26, Chapter 2, Paragraph 2-2b, Hunting and Fishing Regulations.

2. PURPOSE. To define the FHL training area authorization policies and ensure the safety and accountability of all personnel entering the training corridor.

3. APPLICABILITY. This policy is applicable to all Military, Department of the Army Civilians, and Contractors requiring access to the FHL training corridor or ranges.

4. POLICY.

a. All personnel requiring access to the Installation Training Areas (TAs) or Training Facilities must formally sign out and sign back in with Range Control (RC) daily. NO ONE is authorized to enter the training corridor without first contacting Range Control for authorization.

b. RC will maintain a daily log of personnel entering and leaving the TA.

c. Command Group, Police and Fire, and Public Works/Roads and Grounds personnel may be logged out and in telephonically or by radio.

d. Contractors must check in at RC each morning prior to entering any training facility or range. Contractors in many cases will be issued a long term training area pass to be displayed on the dashboard of each vehicle. Pass must be displayed on all vehicles at all times while in the training area. This pass is issued by RC and is different from any pass issued by the police department.

e. Military units training on the installation must contact RC as they enter and depart the training areas and arrive back in cantonment.

SUBJECT: FHL Policy Letter #45, Training Area Authorization

f. NO ONE may enter any TA or facility if RC has denied access.

(1) Passes are not required on tactical vehicles but are required for GSA, government rental vehicles, and person owned. RC will issue necessary passes.

(2) River Road and the service road that connects the B-9 range to Sam Jones Road are not open to through traffic, and these roads shall not be utilized by training units or other training agencies.

(3) Training units and other training agencies are authorized passage through TAs other than those they are signed for in order to get to and from their assigned areas.

(4) Privately owned vehicles ARE NOT authorized in the TAs or on the ranges. Exceptions are covered in the FHL Regulation 420-26, Chapter 2, Paragraph 2-2, Hunting and Fishing Regulations.

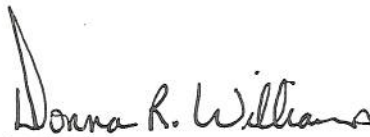

g. Directorate of Family, Morale, Welfare & Recreation will establish sign out and sign in accountability procedures and maintain a daily log of all personnel utilizing the established mountain bike trail area. Personnel using this recreational area must remain in the confines of the area at all times.

h. FHL utilizes cattle gates, cable gates, barriers, and signs to ensure the safety of all. NO ONE is authorized to go around or to move barricades and signs. Breaching a gate or barrier without authority is similarly prohibited. Violators will be cited IAW Federal Trespass laws.

i. RC is the final determining factor as to whether access is granted.

j. Violators of this policy are subject to prosecution under Article 92, UCMJ or action under the appropriate Federal Law.

5. PROPONENT: DPTMS, Range Control is the proponent for this policy at (831) 386-2310 or (831) 386-3145.
